: Engineering News Record" the 225 Top International Contractors 2001 2003.

The diagram illustrates a process flow with two parallel paths. The left path begins with the Korean character '가' (Ga) at the top, followed by '가' (Ga) in the middle, and '가' (Ga) at the bottom. The right path begins with '가' (Ga) at the top, followed by '가' (Ga) in the middle, and 'system organizer' at the bottom. A vertical line connects the two paths, and a horizontal line connects the top of the two paths. The text 'DB' is located at the top right, and 'system organizer' is at the bottom right.
