An aerial photograph of a large, modern institutional building complex, possibly a government or military installation. The complex consists of several interconnected multi-story buildings with light-colored facades and flat roofs. A prominent feature is a large, rectangular swimming pool or courtyard area with a red border, situated in the center-left of the main building group. To the right of the buildings is a wide, multi-lane road with a curved section. Adjacent to the road is a large, paved parking area filled with numerous vehicles. The surrounding landscape includes green fields and some trees, suggesting a semi-rural or undeveloped area. The overall impression is one of a well-planned, large-scale facility.
